

# FREQUENT BUYERS REWARD PROGRAM

## Rules of the Game:

For every order of \$50 or increment of \$50 before taxes and shipping, you receive one Happy Stamper credit. For example, if your merchandise order is \$103, you would receive 2 Happy Stamper credits. If your order is 43, the order doesn't qualify for any credit. You cannot combine orders to receive additional credits.

You must keep track of your credits yourself.

Once you receive 10 Happy Stamper credits, you qualify for up to \$25 in free stamps from me. You must submit the following form, and I will verify your credits before placing your order. You cannot go over \$25 in stamps. You may save your credits to submit 20 at the same time to receive \$50 in free stamps from me. This program is only available through me and is not valid with any other demonstrator's orders.

Credits expire after 1 year. Email your order form to [HappyStamper508@gmail.com](mailto:HappyStamper508@gmail.com). Thanks!
